

SHEPHERD'S ARMS NEWSLETTER
JULY 2009
APPENDIX

Financial Blessings

A huge thank you to all the faithful supporters and groups who provide sponsorships for the children and funds to meet other needs at the Children's Home. You are all an amazing blessing.

A couple currently staying at Shepherd's Arms Children's Home have very generously provided money for the following:

- a bread making machine
- covering the cost to clear trees in the rice field
- sets of school uniforms & underwear
- fertilizer for the rice field
- improvements to the dining room
- a battery and tires for the car

Another wonderful donation of \$2000.00 will meet the costs of many of the 2009 smaller projects:

1. Concreting to create a volleyball court and enlarge the basketball court
\$450.00
2. Additional school supplies (books, pens, crayons, etc)
\$300.00
3. School clothing/uniforms
\$40.00 per child
5. Shepherd's Arms office and home supplies
\$400.00
6. Start-up finance to support a stall where goods made at Shepherd's Arms can be sold at school
\$200.00
7. Tools for Shepherd's Arms – machetes, shovels, forks, wheel barrows
\$500.00
8. An office 3 drawer filing cabinet
\$150.00

Please keep being part of the answer to providing for such a worthwhile need

Leadership Needs

The financial provision for Junie and Lulu, the leaders of Shepherd's Arms Children's Home, Mark, the fully trained Social Worker, working full-time with them, the 4 young people who have completed their High School education coming on staff for the next 5 months for a probationary period before they commence further study courses, still need to be met.

- For Junie and Lulu we need the provision of \$400.00 per month.
- For Mark we need the provision of \$320.00 per month
- For the probationer team we need \$115.00 per month

Could these be financial challenges you could take to your church members to see if the church would take up?
